

8th Grade Service Hours

Each 8th grade student is required to fulfill 15 hours for the Church Mouse. Service hours are volunteer hours – NOT PAID. Students are encouraged to work at the stores with their parents or to schedule take-home work.

On June 1st, an individual sign-in sheet was prepared for each 8th grader, and is located in the back of each binder at each Church Mouse location. Please use the 8th grade sign-in sheet with your own name on it when working your hours at the Church Mouse.

Students must be accompanied by a parent in order to work in the stores. Parents who work in the store with their student will receive hours toward their Sweet 16 volunteer requirement.

Each 8th grader is responsible to contact the Church Mouse location of his/her choice to schedule required hours.
