

St. Francis Solano School 2017-2018

Upper Division Grades 5-8 Class T-Shirt Order

Class tees are special shirts that feature your child’s “Class of ____” information and are made out of fabric that coordinates with his or her class theme color. Each class at St. Francis has a special theme color assigned to it that carries through from Kinder to 8th Grade. These shirts are to be worn on class field trips unless otherwise specified and do not change from year to year. It is a good idea to buy your child’s class tee a bit large so they have room to grow into it and possibly wear it for multiple years.

The upper grades (**5-8**) will have the embroidery on the left chest pocket area.

Grade 5 is made of 100% pre-shrunk cotton

Grade 6 is made of 100% pre-shrunk cotton
