

8th Grade Service Hours

Each 8th grade student is required to fulfill 15 hours for the Church Mouse. Service hours are volunteer hours – NOT PAID. Students are encouraged to work at the stores with their parents or to schedule take-home work. Student service hours do not count toward the monthly volunteer tuition credit for your family.

Students must be accompanied by a parent in order to work in the stores. The hours worked by a parent with their child in a store may be counted toward your family's monthly volunteer hours requirement.
